

GST Complete Course

Duration: 15 hrs | Level: Beginner

GST registration, periodic return filing, input tax credit reconciliation, and audit readiness.

Curriculum Covered

- GST structure — CGST, SGST, IGST and place of supply
- GST registration — eligibility, documents, process
- Tax invoices, debit notes, and credit notes
- GSTR-1 (outward supply) and GSTR-3B (summary return) filing
- Input Tax Credit (ITC) — eligibility and blocked credits
- GSTR-2B and purchase register reconciliation
- E-way bills and e-invoicing basics
- GST audit trail and common compliance risks

Key Study Notes

Claim Input Tax Credit only after matching it against GSTR-2B, not the vendor invoice alone — credit not reflected in GSTR-2B can be disallowed. Track return due dates carefully; late filing attracts interest and late fees automatically on the portal.
